About Us

Founded in 2016, Divine Insights Foundation (DIF) is a South African Non-Profit Company dedicated to uplifting the lives of underprivileged individuals and communities. Guided by our belief that every act of kindness brings healing and hope, we are committed to restoring dignity, alleviating poverty, and empowering people to live meaningful, fulfilled lives.

At the heart of our work is the philosophy of “Give with Love” – a reminder that true transformation happens when compassion meets action. Through our various initiatives, we strive to meet both the immediate needs and long-term aspirations of those we serve, fostering wellness, education, and self-reliance.

Focus Areas

- **Hunger Alleviation:** Providing nutritious food parcels and grocery hampers to families in need.
- **Wellness and Healing:** Promoting Holistic health – Physical, emotional and spiritual – through our ongoing efforts to establish a fully operational Wellness Centre.
- **Skills development and Education:** Offering opportunities for learning, training, and personal growth to break cycles of poverty.
- **Restoring Dignity:** Distributing of Hygiene packs, mobility aids and essentials to improve daily living conditions.
- **Community Empowerment:** implementing sustainable projects that strengthen and uplift communities.

Current Projects

1. Wellness Centre Fundraising:

Raising funds for a fully operational community wellness and healing centre.

Our main long-term project is raising funds to build a Wellness and Healing Centre that will cater for all kinds of people from all walks of life. In South Africa there is an alarming number of people especially youth, that suffer from depression, trauma, unresolved grief and family conflict. Our centres' main objection will be to help these individuals heal, regain balance, and reintegrate into society.

Here are the key aspects of the centre:

- The centre is a Wellness centre, not a medical centre.
- The centre will offer the following programs and treatments:
- Counselling and therapy: One on one, group, family sessions
- Healing programs: Workshops on grief recovery, stress management, trauma healing
- Wellness activities: Yoga, Meditation, Mindfulness, Breathing Techniques
- Holistic Healing: Reiki, Reflexology, Antaneeaa Technique and Chakra balancing
- Creative activities: Art, Music & Dance and Journalling
- Life Skills training: Conflict Resolution, Communication, Emotional Intelligence
- Community Support: Peer groups and mentorship
- Silent sessions

These treatments will be done by qualified and certified therapists

2. Water is Life Project:

Water is a daily essential. Access to clean drinking water remains one of the greatest challenges facing vulnerable communities. Many families are forced to rely on unsafe drinking water, leading to illness, poor health and reduced quality of life.

We are seeking funding to purchase and operate a fully equipped Water truck, 16 000 L (Isuzu Truck) Divine Insights will distribute clean drinking water to under-served communities on a daily basis.

With your sponsorship we can ensure that hundreds of families have reliable access to clean drinking water every day.

3. Anti-Bullying Campaign:

Educating and supporting learners to create safer, more compassionate school environments.

Partner with us and unite against bullying. Sponsor anti-bullying rulers and make a lasting impact.

4. Monthly Grocery Hamper Drives:

Ensuring families don't go hungry through consistent food support. This initiative has always been at the centre of our campaigns and has been ongoing from the time the foundation was established. We strongly believe that no one should ever go hungry, ever. And stand by Mother Teresa's words "If you cant feed a hundred people, feed just one".

The food parcels consist of the following items:

Rice, Mielie meal, Flour, Oil, Tin Foods, Sugar, Tea, Candles, Noodles, Jam, Peanut Butter, Pasta, Salt, Porridge, Bath Soap, Washing Powder, toilet rolls, sunlight bar soap, juice and biscuits.

5. Hygiene Pack Drives:

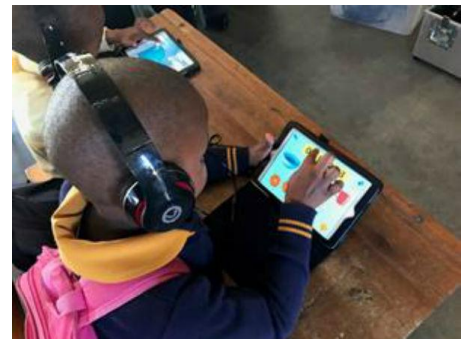

Promoting dignity and self-care through essential hygiene support. This initiative is aimed at underprivileged learners from disadvantaged schools, orphanages and children's homes, shelters and vulnerable communities.

Our Care Pack Consists Of: Clear Bag, Toothpaste, Toothbrush, Face Cloth, Soap, 30ml Nano Protect Sanitizer, Pack of Plasters, Nail Clipper, Tissues Pack

- 6. Smart Technology to Rural Areas:** This initiative is aimed at teaching basic tech skills and smart technology to underprivileged students and the elderly.
- 7. Winter Warmth Drive:** Supplying blankets and warm clothing to help communities through harsh Winters.
- 8. Wheelchair Drive:** Enhancing mobility and inclusion for people with disabilities.
- 9. Christmas Toy Drive:** Bringing joy and hope to children during the festive season.

It's the season of giving and Divine Insights Foundation's annual Christmas drive is aimed to spread some much-needed joy and cheer to children's homes, orphanages, rural schools and public hospitals in Johannesburg, bringing a little bit of happiness and smiles to the faces of orphaned or underprivileged children.
